

Experian AutoCheck

Buying and selling vehicles can be a risky business. Having reliable vehicle information will give you the knowledge you need to make informed decisions.

Whether it be checking the finance of a vehicle or ensuring that it hasn't been registered as written off, stolen, exported or scrapped – Experian AutoCheck will do all the work so that you can have the confidence to buy and sell vehicles that have an authentic history.

Accurate information is the key

Our AutoCheck service is specifically designed for automotive retailers, finance and insurance companies, it provides you with high quality comprehensive vehicle information at the click of a button.

Key Features

- **Images of vehicles over time** – So you can see the vehicles condition and look out for any obvious modifications
- **Additional Vehicle Data** - SMMT specification data is displayed including: performance, fuel consumption, engine and technical details, plus weight and dimensions. We've also included DVLA VIC test data, so that everything combined gives you the confidence you need to buy or sell a vehicle
- **Download Reports and Certificates** - All reports can be printed or saved for your ease
- **AutoCheck Timeline** - Displays images and advert text if a vehicle has previously been up for sale and details on previous MOTs (both pass and fails)
- **Finance** – Have visibility if a vehicle is still of interest to a finance company and provide the details for you to investigate or settle the agreement, which ever you choose
- **Written Off** - AutoCheck will show you if a vehicle has been the subject of an insurance write-off claim and, if so, which write-off category was assigned
- **Imported, exported or scrapped** - Our AutoCheck service has the ability to check if the vehicle is recorded with the DVLA as being imported, a UK export or as being scrapped
- **Comprehensive Vehicle Information** – Including: colour, vehicle identification number (VIN), body type, engine capacity, engine number, transmission, fuel type, CO² emissions, BHP, date of first registration, year of manufacture, number of previous keepers and the date of keeper change
- **Fuel economy label** - You can get a free Department of Transport fuel economy report that covers CO₂ emissions and the Vehicle Excise Duty branding for the vehicle too. We'll even give you an estimated annual fuel cost as part of this report
- **Valuation data** – Vehicle valuation data is available from Cazana and Glass so you can view a vehicle value that is truly indicative of its worth on the market today and in the future.

Experian AutoCheck

How do I use it?

Through a username and password system, AutoCheck provides a simplistic way for you to get your hands on the data you need. It can be accessed anywhere you are that has an internet connection, including on mobile devices.

Our simple colour coded system of red, amber and green shows you the level of risk attached to each vehicle. This will help you make informed decisions quickly and effectively.

The Benefits

Access real-time retail backed data to help you set more accurate prices quicker

View high quality, comprehensive vehicle provenance information to help you to make better buying decisions

Have transparency on the local marketplace and competitors' stock, with better market coverage

An easy to use platform so your team can concentrate on the service, not the admin

A new partnership is driving automotive innovation.

Speak to your account manager today about integrating Cazana Companion into your AutoCheck platform and use the power of data to drive profitability.

Whether it's checking vehicles in the showroom or planning strategies in the boardroom, we have a range of data, analytics and software that can help.
